

## **Youth Corps Legislative Advocate**

### **Position Summary**

Position title: Youth Corps Legislative Advocate

Wage: \$15/hr.

Reports to: Youth Engagement Coordinator

Program duration: October 10<sup>th</sup>, 2022 – June 30<sup>th</sup>, 2023

Time commitment: 5hrs/week, including meetings and independent work

Applications close: August 31st, 2022, at 5pm PDT

### **Role Description**

Oregon School-Based Health Alliance (OSBHA) is a statewide nonprofit organization serving as the collective voice to build a stable, effective, and accessible school-based health care system by developing school-based health centers (SBHCS).

The Youth Corps enables OSBHA to continue to place youth in positions that create youth-adult partnerships that are indeed a partnership. The Youth Corps Internship Program creates a space where youth voices can be input from the beginning stages of each OSBHA project. Corps interns build professional development skills such as relationship and team-building, communication and public speaking, goal setting, event planning, and project management that allow them to complete project-related deliverables, listening sessions, and youth events.

As a Legislative Advocate intern, the focus is on actively engaging in OSBHA policy initiatives and events, especially planning School Health Advocacy Day. This youth-driven advocacy event supports school-health services in Oregon. With a concentration in health policy and advocacy, the mission is to encourage youth voices and empowerment in legislative fields, especially regarding youth lives and wellbeing.

### **Intern Responsibilities**

Under the guidance and mentorship of the Youth Engagement Coordinator, the Youth Health Advocate will have the support, training, and education to accomplish the following objectives:

- Establish communications with school-based health center network, legislators, and youth participants
- Develop School Health Advocacy Day promotional materials for social media
- Research and coordinate youth empowerment opportunities, including testimony videos, elevator pitches, and letter-writing legislators

- Plan, facilitate and lead Advocacy Day event presentation with youth- and adult-partnerships
- Oversee event management and closing Advocacy Day through feedback and data collection
- Collaborate with OSBHA staff and other Youth Corps interns on organization projects and events throughout the internship
- Other learning opportunities and related duties as available

### **Experience, Qualifications, Knowledge, Skills**

- Must be a high school or college student in Oregon
- Lived experience and/or prior experience working within LGBTQ+, BIPOC, and/or additional historically marginalized communities
- Demonstrated ability to practice cultural humility, a deep commitment to equity and social justice, and passionate about encouraging youth voices
- Comfortable working both independently and in a collaborative team environment to achieve goals
- Self-motivated, detail-oriented individuals with exceptional written, verbal, and organizational skills
- Flexible working in a hybrid internship requiring both virtual and in-person engagements

### **Values**

OSBHA recognizes the value of a diverse workforce and believes a diverse work environment empowers our community. We strongly encourage all qualified candidates to apply regardless of race, ethnicity, gender identity or expression, sexual orientation, disability, family or parental status, or religious affiliation. OSBHA employees have also developed a set of team values that define how we strive to accomplish our work and interact with each other:

- **Well-being:** We support self-care and a balanced life by respecting one another's assessment of limits and boundaries and recognize that health and well-being looks different for everyone. We celebrate successes and hold space during challenges.
- **Curiosity & Innovation:** We have a willingness to question existing systems/processes/structures, push past status quo, and engage in practices that allow for creative ways forward.
- **Discomfort:** We welcome discomfort around examining our own beliefs and knowledge of oppression and white supremacy in order to allow for growth. As a team and as individuals we will explore and support each other as we work, learn, and evolve.
- **Accountability:** We accept responsibility for our actions, follow-through with commitments, ask for help or propose revised plans when needed, and act with transparency and clarity.
- **Integrity:** We are honest and authentic with self and others, true to our convictions, and our actions match our words.
- **Trust:** We commit to building a culture where we can trust in each other's abilities and intentions, and be vulnerable enough to give and receive honest feedback.
- **Collaboration:** We work together towards our individual and collective goals and support each other by offering knowledge and skills, and flexing work flows and responsibilities as feasible.

## **Work Environment**

This is a hybrid position. There will be virtual and in-person meetings requiring attendance. In-person engagements will be scheduled in advance. A computer is required for this internship. However, if you do not have one, OSBHA will make arrangements to ensure you have the technology you need to complete your work. Accommodations can be made to support individuals with disabilities to perform the essential duties.

## **To Apply**

If you have questions, please email the Youth Engagement Coordinator, Asia Gates (she/her) at [asia@osbha.org](mailto:asia@osbha.org). If you are interested in applying to Oregon School-Based Health Alliance's Youth Corps Legislative Advocate intern position, please send the three attachments to [jobs@osbha.org](mailto:jobs@osbha.org) by August 31<sup>st</sup>, 2022, at 5pm PDT with the subject line "Legislative Advocate Intern":

- Resume
- Answer the following set of questions in a document
  - Which intern position are you applying for, Youth Health or Legislative Advocate?
  - How do you approach building relationships with marginalized people and communities of diverse backgrounds and identities?
  - What health issue are you most passionate about, and how does it intersect with social justice?
  - We are currently and most likely will continue to work in a virtual environment with the possibility of occasional in-person engagements. What is your experience and comfort level working remotely when engaging community partners and colleagues, facilitating meetings, giving presentations and/or trainings, or just building connections and rapport?
  - In what type of work environment do you flourish?
